PPPs to improve food safety capacity: STDF experiences on the ground

**JIFSAN Advisory Council
2018 Annual symposium**

18-19 October 2018

Marlynn Hopper
Deputy Head, STDF

standardsfacility.org

Standards and Trade
Development Facility

Vision

Sustainable economic growth, poverty reduction, food security and environmental protection in developing countries

Goal

Increased capacity of developing countries to implement international standards and gain and maintain market access

Food and Agriculture
Organization of the
United Nations

WORLD BANK GROUP

World Health
Organization

WORLD ORGANISATION FOR ANIMAL HEALTH
Protecting animals, preserving our future

WORLD TRADE
ORGANIZATION

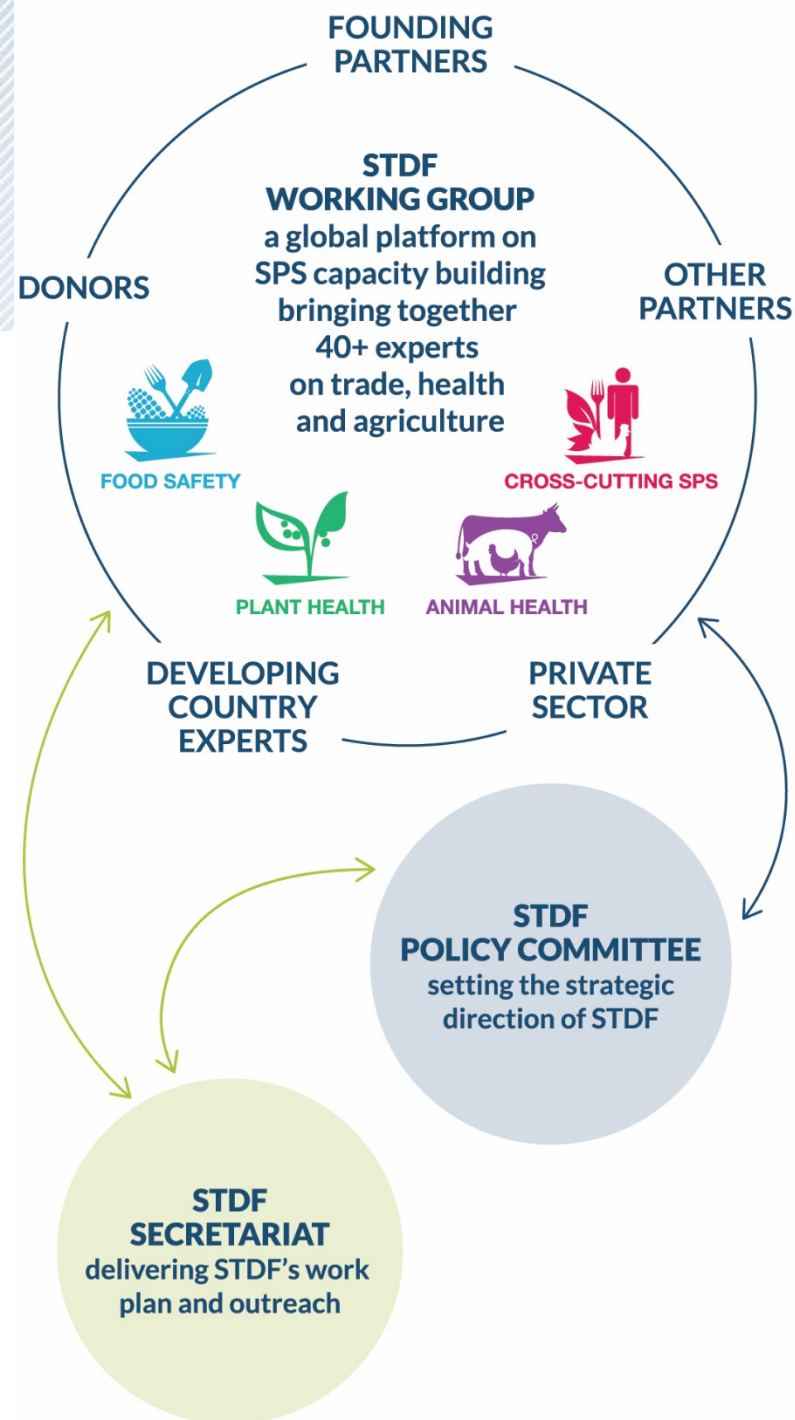

Standards and Trade
Development Facility

Global coordination platform,
knowledge hub & network for
SPS capacity building

Funds for innovative, cross-
cutting SPS projects & project
development

STDF's investment supports farmers, processors, traders and governments to meet international standards, protect health, and access global markets

Public Private Partnerships

How can the public and private sector collaborate to build SPS capacity?

STDF Note: Partnering with the private sector

STDF/IDB publication (2012)

"After joining this project I am getting profits every year. I don't have to wait for long to sell out at the market because my shrimps are bigger and look healthier. Now it makes me proud that people come to me for advice".

**Chompa Debnath,
shrimp farmer,
Bangladesh**

Focus on projects that
identify, develop or disseminate
good practice
are replicable
include regional/global
approaches
are innovative, collaborative
and inter-disciplinary

Nepal

**Partnerships promoted ginger exports
and raised rural incomes by over 60%**

Knowledge on GAPs and post-harvest skills,
building capacity of cooperatives

New washing facility for 8,000 households

Leveraged support, scaled-up benefits

Access to regional / international markets

Meeting pesticide standards in Africa, Latin America and Asia

160+ scientists/officials trained to generate, review and interpret pesticide residue data

New MRLs for minor-use crops

Catalysed public-private collaboration

Foundation set up to build on projects' results worldwide

Scalable food safety solutions in Thailand and Viet Nam

1,500+ producers and food
manufacturers trained on
GAP/GMP

Reduced rejections, increased
sales and access to higher-end
retail and export markets

Partnership of universities,
producers, food businesses and
government authorities

Regulatory approaches to voluntary 3rd party assurance (TPA) programmes

Opportunity to support risk-based approaches,
better target resources, reduce regulatory
burden, improve compliance

Concerns about accountability,
transparency, costs, dual systems

CCFICS draft principles and guidelines

Standards and Trade
Development Facility

STDF grant applications

Pilot use of TPA programmes in
Central America and Africa

Linked to CCFICS work

Assess the feasibility, practicability
and challenges

Understand outcomes for
government and private sector

PPPs drive SPS solutions worldwide

Ongoing interest in PPP
approaches

Importance of leadership, trust
and transparency

Flexibility and creativity to
manage challenges

Monitor and evaluate
performance
